

## Art supplies K-8; Art I and II

Art supplies are one of the most important parts of doing a good job to express ourselves in a visual way. I would like for each student to use their own supplies so they can learn how to take care of them and be responsible for them.

I really need your help to make this run smoothly. I need their name on each crayon, marker, pencil and everything they need for ART.

2 - #2 pencils (not the specialty pencils)

Eraser

Hand held pencil sharpener (one that catches the shavings)

Pointed 5" Scissors (Fiskars are a good brand)

Elmer's White Glue - 4 oz.

Elmer's Glue Stick - .77 oz. (have an extra supply at home)

Black Sharpie – Fine point

Black Sharpie – Ultra Fine Line point

Crayola Color Pencils - set of 12

Crayola Crayons – set of 16 (put in a sandwich zip lock baggie)

Crayola Color Markers – set of 10 (put in a sandwich zip lock baggie)

Prang Watercolors – Set of 8 colors

Large Gallon Storage Zip Lock Plastic Bag - Name on it with Sharpie.

I will be storing their ART SUPPLIES in the Art Room. This will secure the fact that they will have what they need for their art projects. In other words, this does not go in with their supplies for their classroom.

Thank you so much for helping me with this.
