Living in Faith, Leading the Future Capital Campaign

Together we're celebrating all that God has done, is doing and will do in the weeks, months, and years to come.

I am excited for our MCA families to experience our new campus's maximum potential as we shine the light of Truth brighter into the Greater Medina area and beyond.

I'd like to invite you to join us for the upcoming **parent information meeting on October 25th at Medina Christian Academy Upper School** — From 2:00 PM - 3:00 PM. In addition, there will be an opportunity for fellowship and refreshments.

Thank you again for journeying with us on this worthy endeavor. We continue to seek God's wisdom and leadership throughout the entire process.

I hope you'll be able to join us Sunday, October 25th!

Please signup each family member individually [here](#).

From their ears to their hearts,

Joe Timco, M.A.

Living in Faith, Leading the Future Capital Campaign

As you know, we have completely outgrown the current capacity of classrooms at FBC current Lower School. Quite simply: We needed more room, and quickly. Our expansion at our new Upper School, formally known as Rustic Hills, will be completed in two strategic phases over three years and will require funding as we work toward our end goal: to bring all students to one campus for God's glory. Please click [HERE](#) to read more and sign-up at the bottom of the page if you'd like to hear more about how your family can participate in the mission.

Recycling

Parents,

The *Knight's Leadership Council* needs your help! We have started a paper recycling program at MCA, but must have a specific amount of paper collected each month to keep it going. Each class will now be recycling paper and we need your help to do the same. With everyone ordering online there is an increase in boxes (flatten first), magazines, bills that you shred (put shredded paper in a bag), mail you don't want, old books, phone books, etc. All of that can be recycled! Start collecting all the paper in a box then bring it to the Upper School at 5399 River Styx Rd. We have a green dumpster located at the end of the parking lot by the gazebo. You can just dump it into the dumpster, no need to do anything special. All the money collected will go to the *Knight's Leadership Council* which will then be used for the student body activities. We appreciate any help you can give us. **Please see the attached flyer to see what items are accepted and not accepted.**

Thank you so much,

Knight's Leadership Council
