## **Living in Faith, Leading the Future Capital Campaign**

As you know, we have completely outgrown the current capacity of classrooms at FBC current Lower School. Quite simply: We needed more room, and quickly. Our expansion at our new Upper School, formally known as Rustic Hills, will be completed in two strategic phases over three years and will require funding as we work toward our end goal: to bring all students to one campus for God's glory. Please click [HERE](#) to read more and sign-up at the bottom of the page if you'd like to hear more about how your family can participate in the mission.

## **Community Open House and Prospective Families at the Upper School**

Do you know someone that is interested in Christian education? Invite a friend so they can see how the Medina Christian experience is intentionally different from other educational avenues offered today. We want to extend a warm invitation to your friends and family to join us **October 29 from 6-8** at the Upper School 5399 River Styx Rd.
