

MS/HS English Teacher

Description:

Medina Christian Academy is a non-profit, faith-based school program serving families from PK3 to grade twelve. We are seeking a Middle School/High School English teacher for grades 7-12 for the 2021-22 school year. College degree, preferably in English or education-related field.

Science Teacher Qualifications:

- Bachelor's degree in mathematics or a related field
- Quality daily instruction
- Strong classroom management
- Committed to a Christian life

Science Teacher Requirements:

- Daily presentation of lessons
- Collaboration with a Science team
- Weekly lesson plans
- Participation in weekly staff meetings and other duties

Fulfill normal work expectations of the teacher which include, but are not limited to effective teaching, ability to lead with a Biblical worldview, supervision of students, preparing/submitting lesson plans, varied assessments of students, providing extra help, conferencing with students, and parents, and other duties as requested by Principal or Head of School

- Guide students in appropriate behavioral and social development using approved classroom management techniques.
- Implement RTI in the classroom setting.
- Participate in academic initiatives.
- Attend and participate in all professional development training and faculty meetings.
- Evidence of an authentic and active Christian walk
- Proficient teaching skills
- Excellent interpersonal skills
- Excellent communication skills both written and oral
- Strong ability to multitask and lead a classroom

Other Opportunities Include:

- Supervision of student clubs
- Coaching of student athletic teams
