

Medina Christian Academy

Microwave Policy:

Microwaves are available for staff and student use at both the Upper and Lower School.

If your child plans on reheating their food, please send food in microwaveable containers.

MCA does not provide dishes for reheating. Please do not send food in metal, aluminum, or plastic bags for microwaving.

Plastic containers are recommended in the event something is dropped

If your child brings a microwavable lunch, please make sure they have everything they need.

Example: If your student brings oatmeal in a packet, please send them with a microwaveable bowl to use. If your student brings chicken nuggets, pizza or a sandwich in a bag that they would like reheated, please send them with a plate or container to reheat it with. If your child brings soup, please provide the bowl.

Forks, spoons, knives, straws, napkins and condiments are provided.

Thank you!
